
# Satz Keilhebekissen (1bar)

Art.-Nr. 3110012400

Smooth and precise at bus accidents.At bus accidents, your emergency personnel must cope with many injured persons at once, and seconds make the difference between life and death. The special shape of Vetter's wedge lifting bags provides an optimum lift angle. Free trapped passengers quickly from overturned busses.Thanks to the wedge-shaped bags, the load is distributed uniformly over the entire lifting distance. With their ideal pressure distribution, the pneumatic bags are perfectly suited to lift thin-walled coachwork such as the side walls of buses. In doing so, they maintain continuous and secure contact with both the coachwork and the underlying surface.Consisting of: 2x 3110007702 Wedge Lifter 1.0 bar 6 metric tons,quick-action coupl 1x 350007401 Inflation hose 1.0 bar, 10 m, ye.,with quick action coupling 1x 0350033500 Inflation hose 1.0 bar, 10 m, red,with quick action coupling 1x 0100005000 Air CU 1 bar deadman, lighting 1x 0100001000 Set repair material 0.5 and 1.0 bar 1x 1600034000 Pressure regulator 200/300 bar working pressure 14 bar 1x 3110000600 Valise 80 x 56 x 23 cm

## Technical Data

| | |
|---|---|
| Length [mm]: | 800 |
| Width [mm]: | 800 |
| Weight [kg]: | 10.4 |
| Test pressure : | 1,5 bar / 21,76 psi |
| operating pressure: | 1 bar / 14,5 psi |
| max. lifting capacity [t]: | 6 |
| Air requirement at working pressure [l]: | 506 |
| max. lifting height: | 60 cm / 23,62 inch |

Date: **13.11.2026**, subject to technical changes and errors.
