

## Pipe Sealing Bags CR

---

Art.-Nr. 1440008100

The oil-resistant alternative to the classics. The Pipe Sealing Bags of chloroprene rubber (CR) are characterised by an increased resistance to chemicals (e.g. against mineral oils, heating oil etc.) compared to conventional Pipe Sealing Bags of natural rubber (NR).

## Technical Data

Weight [kg]:	0.6
Pipe diameter :	7-15 cm / 2,76 - 5,91 inch
Cylinder length:	30 cm / 11,81 inch
Diameter :	6,8 cm / 2,68 inch
operating pressure:	2,5 bar / 36,26 psi
Total length:	34,5 cm / 13,58 inch
Air requirement [l]:	14
